

# 2022 MID-YEAR HOLIDAY ASSIGNMENTS

## 1 Normal (Technical)

Dear students,

We hope you will use the Mid-Year holidays well to rest and spend time with family and loved ones. In addition, you should use the time to consolidate what you have learnt in Semester 1 and close learning gaps through the assignments given. Please refer to the table below for the holiday assignments for the subjects you are studying. They are arranged (i) in order of deadlines and then (ii) by alphabetical order.

Task	Duration	Due Date	Completed (✓ when done)
<b><u>BASIC CHINESE LANGUAGE</u></b> To close learning gaps in 1T Basic Chinese based on Semester 1's performance, you are to complete 2 set of Paper 1 and use SLS to finish Oral practice and Listening comprehension.	2 hours and 30 minutes	26th June 2022	<input type="checkbox"/>
<b><u>CPA</u></b> To close the learning gaps in DOP, read through DOP 1 to DOP 4 in the textbook uploaded on the google classroom. Then complete the 'Test Yourself' inside the textbook by writing the answers using google document.  To consolidate the concepts learnt in class about PowerPoint, complete the assignment 'About myself' using the google slides for presentation.	2 hours	By Term 3, Day 1	<input type="checkbox"/>
<b><u>BASIC MALAY LANGUAGE</u></b> To bridge learning gaps in vocabulary and message writing, you will complete a practice paper.	2 hours	First ML lesson in Term 3	<input type="checkbox"/>
<b><u>ENGLISH LANGUAGE</u></b> To consolidate what you have learnt in Semester 1, a Situational Writing Task (Guided) will be posted on Google Classroom for you to complete. In addition, you will practise comprehension	2 hours	First EL lesson in Term 3	<input type="checkbox"/>

Task	Duration	Due Date	Completed (✓ when done)
