

# 2022 MID-YEAR HOLIDAY ASSIGNMENTS

## 2 Normal (Academic) & Normal (Technical) [SBB]

Dear students,

We hope you will use the Mid-Year holidays well to rest and spend time with family and loved ones. In addition, you should use the time to consolidate what you have learnt in Semester 1 and close learning gaps through the assignments given. Please refer to the table below for the holiday assignments for the subjects you are studying. They are arranged (i) in order of deadlines and then (ii) by alphabetical order.

Task	Duration	Due Date	Completed (✓ when done)
<b><u>GEOGRAPHY</u></b> You are to complete your Group Presentation task for your Geographical Investigation.  Only one member in the group needs to TURN IN the slides on behalf of the group.	2 hours	24th June 2022	<input type="checkbox"/>
